We would like to express our deepest gratitude for the generous donation of €1 000 from the Slovak Psychiatric Association towards the EPA “Fund for Ukraine”. We will use your donation to send urgently needed medication to large psychiatric hospitals in Ukraine and to provide funds to national charitable or humanitarian organizations to channel other goods, which are also desperately needed in Ukrainian psychiatric hospitals.

Thank you for your kind and generous support helping to make a big difference to the lives of our Ukrainian colleagues and their patients in this very difficult time.

With kind regards,

Professor Peter Falkai
