THE ROLE OF PSYCHIATRY IN THE CHANGING WORLD

Abstract Submission Deadline Extended!

The deadline for abstract submissions has been extended until 9 April!

This extra time gives you the perfect opportunity to:

- Share your research with the global psychiatry community and contribute to advancing mental health knowledge.
- Enhance your professional profile and gain recognition for your work in a prestigious global forum.
- Showcase your work in a specific area of psychiatry and start new collaborations.

Submit your abstract before time runs out!
