

**Barbora Vašečková M.D., PhD. is the chairwoman of the Supervisory Board of SPA SkMA.**

She graduated from the Faculty of Medicine at Comenius University in the field of general medicine in 2001. She then joined the Psychiatric Clinic of the University Hospital and Faculty of Medicine in Bratislava. She completed her specialization study in psychiatry with a certification in 2009. From 2007-2012 she attended a training course in Cognitive-Behavioural Therapy at the International Institute KBT Odyssea. Her PhD. study focused on the adverse sexual effects of antidepressants. Currently, she works at the Psychiatric Clinic of the University Hospital and Faculty of Medicine in Bratislava as a consulting psychiatrist and has an outpatient practice in the Hospital of Brothers of Saint John of God in Bratislava. Apart from clinical practice, Dr Vaseckova focuses on psychiatric sexology and psychotherapy. She teaches psychiatry and sexology at pregraduate and postgraduate level, lecturing and publishing.
